Seven Major World Views

Atheism: A World Without God

Theism: A World Plus An Infinite God

A World That Is God

Deism: A World On Its Own Made by God

Finite Theism: A World with a Finite God

Panentheism: A World In God

Polytheism: A World With Many Gods
Four Views of the Interrelationship of Christianity And Other Religions

→ 1. Universalism ← Other
Christianity → 2. Syncretism/Pluralism ← World
→ 3. Inclusivism ← Religions
→ 4. Exclusivism ←

1. **UNIVERSALISM** – all people will ultimately be saved by God or gods.
2. **SYNCRETISM/PLURALISM** – all world religions have their truth and accomplish basically the same thing—thus all ultimately will be saved by their own faith (Pluralism is the path to Universalism).
3. **INCLUSIVISM** – Christ’s work of salvation is essential and universal in application, and it will be applied even to those not aware of its benefits, but who have lived morally and upright (Karl Raher and “anonymous Christians”).
4. **EXCLUSIVISM** – Christianity (and Christ) is the **ONLY WAY OF SALVATION** *(John 14:6; Acts 4:12; 1 Timothy 2:5)*. Other world religions may have partial religious insights (all truth is God’s truth), but only Christianity is **sufficient for salvation**.

**SIX POINTS OF DIVERGENCE BETWEEN CHRISTIANITY AND OTHER WORLD RELIGIONS**

1. The Christian God is personal.
2. Christ alone is Savior for mankind.
3. All persons are of **GREAT VALUE** as image bearers of God.
5. Christian soteriology offers salvation by **GRACE** through **FAITH** alone to all.
6. Christian eschatology is based on the hope of the **RESURRECTION**, of which Jesus is the first (fruit).

## Contrasting Evangelical and Liberal Theology

### Evangelical Theology

1. The Bible IS the Word of God.
2. Jesus Christ is THE Son of God in a sense which no other is.
3. The birth of Jesus was SUPERNATURAL.
4. The death of Jesus was SUBSTITUTIONARY.
5. Man is the product of special CREATION.
6. Man is a SINNER fallen from original righteousness, and apart from God’s redeeming grace is hopelessly lost.
7. Man is justified by FAITH in the atoning blood of Christ; result—supernatural regeneration from ABOVE.

### Liberal Theology

1. The Bible CONTAINS or BECOMES the Word of God. "Man judges the book."
2. Jesus Christ is A son of God in the sense which all men are.
3. The birth of Jesus was NATURAL.
4. The death of Jesus was EXEMPLARY.
5. Man is the product of EVOLUTION.
6. Man is the unfortunate VICTIM of his genetics and environment.
7. Man is justified by WORKS in following Christ’s example; result—natural development from WITHIN.
